## CONCLUSION

48. AIVSC is the apex Air Wing specific camp of NCC which focusses on exposing the cadets to various aspects of aviation; while it also aims to assess the proficiency of Air Wing NCC cadets in activities specific to Air Wing. Towards these multiple activities are being organized in dispersed venues incl activities such as microlight

flying and skeet shooting which require in depth supervision and involvement by all concerned. Support and involvement by all concerned would go a long way in ensuring successful conduct of the camp.

**OBSERVATIONS FROM AIVSC-2024**

**ADMINISTRATION**

1. Planned ETA of a few contingents were not communicated to the Camp Office in a timely manner. Dtes are advised to communicate arrival and departure plans of respective contingents latest by 10 Sep 25. Pick up will be provided at Bangalore City (KSR), Sir M Visvesvaraya Terminal (SMVT), Bangalore and in Yeshwanthpur (YPR) Railway station. In case contingent of any Dte is arriving other than these Railway station, they have to wait as per the availability of transport.
2. Trophies awarded in AIVSC-2023 were found to be damaged/ broken in certain instances. Few trophies were not deposited to the host Unit in time for repair and polishing. Trophies awarded in AIVSC-2024 are to be deposited at 2 Kar (T) Air Sqn NCC not later than 20 Aug 25.
3. Prevalence of dengue is common during the monsoon/ post-monsoon period in the camp locn. It is mandatory for all ANOs/GCIs and Cdts to be in possession of mosquito nets. Contingents are also advised to carry anti-mosquito creams/lotions.
4. Supply of fresh water to the camp is restricted to morning hours. Although adequate facilities for overhead storage exist, it is not uncommon for the billets to run out of water. Even though water bowzers are likely to be provisioned, all cadets are instructed to be in possession of a bucket and mug each.
5. It is suggested that rain coats / jackets be included as a part of kitting.
6. Details of respective AIVSC contingents as well as other personnel detailed for AIVSC 2025 may be communicated to 2 Kar Air Sqn NCC latest by 14 Sep 25 for necessary security clearance at Air Force Station Jalahalli / Yelahanka. All ANOs, GCIs, Cdts and civilian employees are to be in possession of NCC ID cards.
7. PI Staff detailed for Camp Duties were utilized for escorting cadets and wpns, resulting in shortage of manpower for deinducting the camp and for return ferry of augmented microlights. PI staff detailed by HQ DGNCC for admin purposes reported only on the first day of camp and some reported on third or fourth day. This is to be strictly avoided. Detailed PI Staff are to report to 2 Kar (T) Air Sqn NCC on 16 Sep 25 (forenoon hrs) for coordination and familiarization briefing. They are to plan their return journey not earlier than 30 Sep 25 (afternoon hours).
8. All Dtes are advised to plan the move of the CHTs/canter intended for move of VSC stores and communicate relevant details such as the registration number of the veh and Aadhaar card of the driver at least a week prior to commencement of the camp for security clearance.

## **DOCUMENTATION**

1. All Dtes are requested to share contact details of a single point of contact (preferably CO of the launch unit) to CO 2 Kar Air Sqn NCC by 10 Aug 25 for coordination of arrival, departure and documentation. Correct format of mandatory documentation will be shared with the OIC launch camps to avoid variation in formatting etc.
2. Details of cadets trained on Zen / Virus needs to be mentioned in the Cadet Nominal Roll for smooth conduct of flying (SOP) test.
3. Contingents are instructed to be self-sufficient in terms of necessary documents for Line Area competition. Print outs of various generic orders will not be provided by the Camp office which is heavily tasked during the camp. However, a print out of Camp Routine Orders would be provided on request.
4. Chest numbers are to be strictly allocated as per the guidelines of Appx 'A' of the AJI. Duplication of chest numbers and overlap between the block of SD and SW is to be strictly avoided. No confusion regarding names or chest No.s in the nominal roll shall be accepted.
5. Only Regt Numbers allotted through online enrolment will be accepted.

## **COMPETITION REQUIREMENTS**

1. Dtes detailed to position wpns for AIVSC 2024 failed to do so. It is reiterated that for AIVSC 2025 NCC Dtes P, H, HP & C and Mah are to position Qty Two 12 Bore as a stand by measure.
2. NCC Dte Kar & Goa is to position Six helmets (06) and Six (06) standby wpns for .22 competition.
3. All contingents are advised to be self-sufficient for tent pitching and line area competitions. No tents or accessories will be provided by the host Dte for the same.
4. Dtes are to ensure that the microlights being augmented for AIVSC are serviceable in all respects.
